

Curious about energy healing?

**You're invited to
An informal,
informational,
and
highly experiential evening
designed
to give you
a
direct experience
of
the healing potential of Universal Intelligence.**

After more than twenty years of energy healing and over thirty years of meditation and self-inquiry, Padme Livingstone is offering our community an opportunity to feel the energy that people are talking about when they mention energy healing. Padme will lead simple energy exercises and offer different healings to assist you in directly experiencing what people are talking about.

Absolute beginners with all your questions welcome!
